REGISTRATION AND PARTICIPATION FEE: The registrations of both athletes and technicians must be made exclusively online on the website <https://tesseramento.federscherma.it/> in the sports management section no later than Wednesday 14 April 2021 at 12:00.

The registration fee is € 20, which must be paid exclusively online by credit card within the above-mentioned deadline.

Please note that even the technicians will have to use the same methods of registration on the website to register their presence at the competition (there is a technician allowed for every 3 athletes).

Athletes who are not registered will not be admitted to the competitions. Only the cases in which an athlete does not appear in the lists, but who proves to have regularly registered will be taken into consideration for any admission.

FOR ATHLETES AND TECHNICIANS COMING FROM ABROAD: All athletes from other countries other than Italy must register by Wednesday 14 April 2021 by 12.00 by sending an email to gironi.friuli@gmail.com specifying Name, Surname, date and place of birth, membership number and club of origin and at the same time also attaching the certificate of physical fitness for competitive sports and the proof of payment made.

The registration fee of € 20 must therefore be paid by bank transfer to

IBAN no. IT95S0835664850000000039752 to ASD Scherma Vittoria Pordenone within the term reported above.

Foreign technicians and athletes must compulsorily be registered as member with their federation.

PUBLICATION OF PRE-ENROLLMENT LISTS By 12:00 on Thursday 15 April, the list of members will be published on the 4FENCE WebFENCE website.

GROUP PUBLICATION: The publication of the provisional rounds will take place by 19:00 on the day before the competition. Any reports of errors in the compilation must be communicated to the number 0039-340-7311712 (computer engineer Lorenzo Cescutti) by 20:00, deadline by which the final rounds will be published.

COMMUNICATION OF ANOMALIES AND ABSENCES If anomalies are found in the lists of pre-registered, or absences must be reported after the closing of registrations (by 11.00 of the day before the competition), all reports must be communicated by e-mail to the address gironi.friuli@gmail.com. The clubs are invited to report any absences in any case, in order to allow the smooth running of the competition and not to incur unpleasant penalties. The competition will take place when an adequate number of members is reached. Otherwise, the fees paid will be refunded

ANTI-COVID SECURITY IMPORTANT! Athletes and technicians who will access the sports hall are required to comply with the Protocol provided for by the FIS and the Col for the health safety management of people and spaces.

Athletes are required to have already worn the uniform as it is forbidden to use the changing rooms.

ACCREDITATION ON THE RACE PLACE The accreditation service will take place at the time established by the COL which will be communicated to the registered athletes and technicians grouping them by club.

Upon accreditation, each participant (athletes, technicians, staff, etc.) must present and deliver to the healthcare staff a copy of the report certifying the negativity to the COVID -19 virus following an antigenic or molecular test carried out in the 48 hours prior to the test. In addition, all participants must deliver Annex 1 (self-certification) Annex 2 (contact details) containing the contact details required by national regulations for tracking purposes. All underage athletes must have with them the "authorization for underage athlete" form duly completed and signed by their parents or by whoever exercises parental authority (attachment 4). All the documentation must be completed and signed in paper format.

Accreditation templates can be downloaded from the web page <http://schermavittoria.it> dedicated to the event will be made available (personal identification form, covid self-certification, child custody form with a photocopy of the parent's identity document). All those (technicians, athletes and staff) who will enter the competition field, after having passed the access controls and received the strictly personal pass (name bracelet), are asked to go to the seating spaces that will be assigned in the stands with an individual number. Athletes are required to wear a surgical mask. The Athletes will settle on the bleachers in the nominative place assigned to them and from which they can only move to get down on the parterre and take place in their positions (chairs) adjacent to the platform on which they will play rounds or direct elimination bouts. At the end of the rounds or at the end of the assaults by E.D. each athlete must return to the stands to the assigned place, making the movements with the above precautions. The technicians are obliged to wear the FFP2 mask and will settle on the stands in the name assigned to them and from which they can move to follow their athletes engaged in the competition.

It is recommended that the technicians and managers instruct their athletes on the behaviors envisaged by the Protocol, which is sent together with this communication.

APPLICATION OF THE REGULATIONS The competition will strictly observe 1) the rules of the Federal Protocol for the organization and conduct of competitive events and competitions in the discipline of fencing (published on 01/03/2021) 2) the requirements of the 2020 competitive activity review / 2021 (press release 19/21 dated 05/03/2021) and the Provisions for the performance of the competitive activity for the 2020-2021 sports season (press release 39/20 of 09/07/2020).
